To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of Martin Philip Amon aka Martin Philip Broyles. A Supplement to the Petition for Probate has been filed by Karen Altenburg in the Superior Court of California, County of Alameda. The Supplement to the Petition for Probate requests that Nathan D. Pastor be appointed as personal representative to administer the estate of the decedent.

The supplement to the petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the supplement to the petition and shows good cause why the court should not grant the authority.

IF YOU OBJECT to the granting of the supplement to the petition, you should appear at the hearing and state your objections or file written objections with the court before the hearing. Your appearance may be in person or by your attorney. IF YOU ARE A CREDITOR or a contingent creditor of the decedent, you must file your claim with the court and mail a copy to the personal representative appointed by the court within the later of either (1) four months from the date of first issuance of letters to a general personal representative, as defined

in section 58(b) of the California Probate Code or (2) 60 days from the date of mailing or personal delivery to you of a notice under section 9052 of the California Probate Code. Other California statutes and legal authority may affect your rights as a creditor. You may want to consult with an attorney knowledgeable in California law.
