The Sun Shines Everywhere

R. H. Nixon Theurer took a family vaca-
dtion to Key West, Fla., last year. While there, she posed for this photo holding a huge fan of good-as-
nothing local news, Mr. Paws the cocker-
spaniel. The couple met at Nancy Forrester’s Secret Garden, a shop-
tory for abandoned puppies. Since Theurer remembered to bring pe-
ople along, she and Mr. Paws immediately became friends.

“Mr. Paws and I are out in the sunshine every day,” said Theurer.

“Even when it’s cold. Even in winter, and especially in the winter, Mr. Paws enjoys the sun and the warmth.”
